The Heartbeat of the Valley!

DEEP ROOTS MUSIC FESTIVAL

➤ September 26–29, 2019 ➤

Come at harvest time to experience the bounties of the Annapolis Valley. Deep Roots brings performers from near and far to celebrate the rich and vibrant culture held in this beautiful landscape. Singing and songwriting, dancing and drumming, good times with good friends – Deep Roots has something for everyone, from children to their grandparents. Festival features include main stage concerts, participatory workshops, songwriters' circles, a parade and many other free and paid events. This year join Melgita't Women conducting a traditional smudging ceremony, Catherine MacLellan screening her new movie "The Song and the Sorrow", Terra Spencer, David Francey or Erin Costelo lighting up the main stage in Festival Theatre, a picnic concert with Atlantic String Machine in the beautiful Tangled Garden, licensed Late Night parties at the Wolfville Farmers Market, and much more.

Come see for yourself the magic of Deep Roots Music Festival, the Heartbeat of the Valley!
