Deep Roots Sponsorship Program

An opportunity for the business community to participate in a unique music experience in Nova Scotia's picturesque Annapolis Valley.

The Deep Roots Music Cooperative is pleased to invite the business community to participate in the presentation of its **Deep Roots Music Festival**.

The sponsorship program offers opportunities to gain prominent exposure before and during the Festival and to develop special promotions around the program.

A Commitment to Sponsors

The Deep Roots Music Festival is growing and changing. One thing that doesn't change is the Festival Committee's interest in working with each sponsor to help ensure a maximum return on sponsor investment. The tremendous success of the Festival is made possible through the support of the business community as well as many volunteers.

Since January, committees have been working on such important areas as Administration, Programming, Fundraising and Publicity. The Sponsorship Committee looks forward to working closely with the Festival sponsors to guarantee the recognition they deserve in return for their continued support.

Deep Roots Music Festival

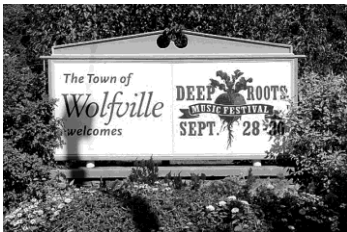

The Deep Roots Music Festival is an annual family-oriented festival, held during the last full weekend of September in Wolfville, NS, and is well supported by the Annapolis Valley community. The Festival started in 2004 and has proven to be an excellent source of entertainment for Valley residents and visitors of all ages.

The Festival, its organizers and volunteers provide visibility for the Valley community at the regional, provincial, national, and international levels.

This multi-venue event is an entertaining and educational one with a focus on the cultural and musical heritage of the Valley. Festival organizers are dedicated to making it one of the most prestigious events in the Maritimes.

The Festival has drawn a discriminating audience and garnered praise for its unique vision and innovative programming. It has received excellent publicity, and has been recognized by performers and audience members as being well-organized and financially viable. The Festival Committee plans to carefully build on its success by increasing the scope of Festival activities, while listening to suggestions from audience, performers, and sponsors.

The mandate of the organization is to develop year-round musical programs culminating in an annual festival and to encourage meaningful connections between cultures, community groups, artists and audiences.

Festival Features

The Deep Roots Music Festival is a weekend event which brings people of all ages together to celebrate our home and our heritage through music, dance, and stories. In addition to presenting nationally and internationally recognized performing artists, the Festival features our regional talent. Spectacular Main Stage shows, intimate concerts, seminars, participatory workshops, late night parties, and a rhythm parade—there is something for everyone at Deep Roots.

Location

Most of the Festival events are situated in and around Wolfville in the beautiful Annapolis Valley of Nova Scotia. The Valley is a tourist attraction in itself, especially in the fall, with its breathtaking colours, and bountiful orchards and fields. Year-round, the Valley boasts spectacular scenery that includes the rolling hills overlooking the coastline, the Acadian dykelands, and the world-famous tides of the Bay of Fundy. Festival venues are located on and around the beautiful, historic campus of Acadia University and in local communities.
